Description of Goal:

All schools will meet or exceed the performance target of 6% or less chronic absenteeism.

Attached is the Data that will be used as the basis of measurement

Individual(s) Responsible for completion of the goal

Action(s) to be taken to complete the goal in the 20XX-20XX school year

Timeline(s) to complete the goal in the 20XX-20XX school year

The Schools Performance Reports for 2015-2016 will be used as the data/basis for measurement.

I will be responsible for meeting with principals and the parents of children who are chronically absent. My involvement will also include personal phone calls to parents and the establishment of reward systems at each school for good attendance. During meetings with principals I will review the names of students who are chronically absent and determine what is being done at the building level to address the problem.

Time line for completion is the 2015-2016 school year.

14% of the 2015 8th grade class did not continue in Wall Township. (45 students of 329). 30 students chose private schools and 15 students opted to attend one of the MCVSD schools.

I will be involved in achieving this goal through Parent Information nights to promote Wall High School and by working to increase public awareness of the success of Wall graduates through articles in the newspaper and blogs on the district website. The time line for completion of the goal is the 2015-2016 school year.
