Dear Parents and Staff:

The Central Association of Parents and Educators (CAPE) is an organization whose main objective is to enhance the education experiences of the students of Central School by funding and coordinating assemblies, class trips and other extracurricular activities. Your participation and involvement are one of the keys to unlocking educational advantages for your child this school year.

Our Membership Drive has begun for the 2016-2017 school year. CAPE membership fees are used to help provide students with wonderful events throughout the school year, such as Lip Sync, Fun Fair and many more. To continue these enriching and successful activities, we need your support.

When you join CAPE, you will be instantly connected to the Central School community. You will take part in enhancing your child's learning experiences by volunteering for committees and supporting activities.

The CAPE membership fee is only \$10.00 per family for the school year. Please help support your child's education by joining CAPE. Your anticipated support is greatly appreciated.

We are excited about the new school year and are looking forward to having you join us.

VOLUNTEERING AND COMMITTEES

CAPE works to bring the home and school together for the benefit of all our children. As an organization, CAPE relies on its volunteers to bring rewarding and enriching experiences to the students of Central School. All of the monthly CAPE meetings are open to all members, but we still need volunteers from our membership to assist with events and committees throughout the year.

CAPE is now planning our committees and activities for the 2016-17 school year. The membership meets once a month to plan activities and projects throughout the year. Members are encouraged to attend the monthly meetings as well as volunteer and help out on committees and with events throughout the school year.

Our first meeting will be held on September 14, 2016 at 6:30 pm in the Central School Cafeteria and will allow members to become familiar with our committees and also volunteer to be part of committees that will plan events and activities that continue to make Central School great!

If you are interested in volunteering for any of the following specific activities, please complete the form below and return it with your membership form.

I would be interested in volunteering for the following CAPE events:
