

*Wall Township Board of Education
Food Service Department*

February 28, 2017

Dear Valued Parents & Guardians,

More Good News!

Account balances are now available for your review through the District's Genesis Parent Access.

As before, your account balances and transactions can still be viewed by logging onto www.MyPaymentsPlus.com. All account balances are correct.

If you require any transaction history from the beginning of the school year through February 21st, please do not hesitate to **email** me at www.sbailoni@wall.k12.nj.us and I would be happy to email you a copy of your child's purchase history.

If you had previously signed up for auto-pay or low-balance e-mail notifications through [MyPaymentsPlus](#), take a moment to log onto your account and re-set your preferences for those features. Previous preferences **MUST BE UPDATED**. Also, please be advised that the new system has one general account for all purchases.

Food service will no longer be sending home low-balance or negative balance letters.

It is highly recommended that you set up low-balance e-mail notifications through [MyPaymentsPlus](#). There is **NO CHARGE** for this service. For your convenience, kindly review the Questions & Answers on the Wall Food Service website.

Thank you for your patience and understanding during this transition time. Please feel free to contact me at 732-556-2080 or www.sbailoni@wall.k12.nj.us.

Sincerely,

Sandra Bailoni
Director of Food Services
