SPORTS PRE-PARTICIPATION PHYSICAL EVALUATION INFORMATION

According to the N.J.A.C. 6A:16-2-2 et seq., *each candidate for a school athletic team must have a medical examination within 365 days prior to the first official practice session.*

A Health History Update Questionnaire/Sports Participation Form must also be completed for each individual season that an athlete intends to tryout for. The school nurse and physician will then evaluate the completed examination and written notification will be sent to the parent/guardian.

1. Instructions: The NJDOE medical forms which are available online at <http://www2.wall.k12.nj.us/athletics/> (or in the School Nurses' and Athletic Director's offices) must be used. No substitute forms from doctor's offices will be accepted. Physical evaluations must be completed and signed by a physician licensed to practice medicine (MD or DO), an Advanced Practice Nurse, or a Physician's Assistant who is working under the direction of a physician.

The required forms are:

- A. Health History Update Questionnaire/Sports Participation Permission Form
- B. *Physical Examination Form (must be completed within 365 days prior to the first official practice session)

- D. Wall Township Schools Anti-Substance Use and Student Conduct Agreement Extra-Curricular Activity Involvement Form
- E. NJSIAA Parent/Guardian Concussion Policy Acknowledgement Form

High School: The sports packet includes Forms A, B, C, D, E and F
Forms A and B should be returned to the High School Nurse's Office
Forms C, D, E and F (**do not separate the packet**) should be returned to the Athletic Director's Office

If you have any questions or concerns please contact Mr. Thomas Ridoux - Director of Athletics at 732-556-2065.
