Juniors who wish to park in the Junior parking lot **MUST** request their name be put on the selection list. The request can be made in the main office. Students must have a valid license and will need to fill out a parking application. Each month 56 Juniors will be selected to park in the Junior parking lot. When in the parking lot, selected Juniors must display the parking permit given. The permit will only be valid for one month. Juniors are able to stay on the selection list even if they have already received a parking permit during the year. Juniors only need to request their name be put on the list one time. They must have completed the "Share the Keys" program, have a valid driver's license and have completed the parking application to be put on the list.

Parking in any other location on campus other than the junior lot, or parking in any other location in the junior lot not designated for parking (i.e., grass areas, spaces marked with white lines, creating your own space) will result in the forfeiture of your parking privilege and disciplinary action.
