If you don't choose to register, or if you have trouble registering, you can still view the homework assignments. Go back to the Homework Portal page and look at the right hand side of the screen. Choose Wall Township High School from the drop-down menu. A list of teacher websites will appear. Click on the name of one of your students' teachers and you will see his or her website appear on the left side of the screen. Look for the option "Homework and Events." Click there and you will be taken to a calendar. If you see a "house" icon and the word Homework on a date that is the indication that homework was assigned. Click on the blue bar with the word homework and you will be able to see the homework. If you have any questions you can email the teacher for assistance.
