

Let Your Skills in Reading and Math SOAR this Summer!

What is SOAR 2.0?

This summer, Wall Intermediate School (WIS) is introducing a new and improved SOAR 2.0 program to help incoming 6th-8th graders improve their skills in reading and math. All sessions will be held at WIS, and scheduling your child is flexible!

In Language Arts, students will further develop their skills in reading comprehension and writing. Opportunities will be provided for students to choose texts from our recommended summer reading list and complete a bookmark using strategies for understanding fiction and informational texts. This class provides a great opportunity to sharpen literacy skills while getting to know other middle school readers. In Math, students will have an opportunity to refine problem solving skills while strengthening their computational fluency. Diagnostic assessments will be administered to help with determining the best instructional path for your child this summer.

Open Enrollment

Each class is 2 hours and offered 2 times per week at Wall Intermediate School. You can sign up for as many days as you would like! Please visit the following Google Form to sign up and hold a spot for your child!

<https://goo.gl/forms/tkDuW3AW87APjbnH3>

Sessions will be filled on a first come, first served basis. Space is limited, so be sure to take advantage of this great learning opportunity. Check out our schedule below. Contacts for each session's teacher are also included. *Classes will run from July 10th through August 3rd.*

For additional information, please contact Dr. Ken Kunz, Supervisor of Curriculum & Instruction, at 732-556-2118 or kkunz@wall.k12.nj.us.
