

Installing iPad Apps Using the MobileIron App Catalog

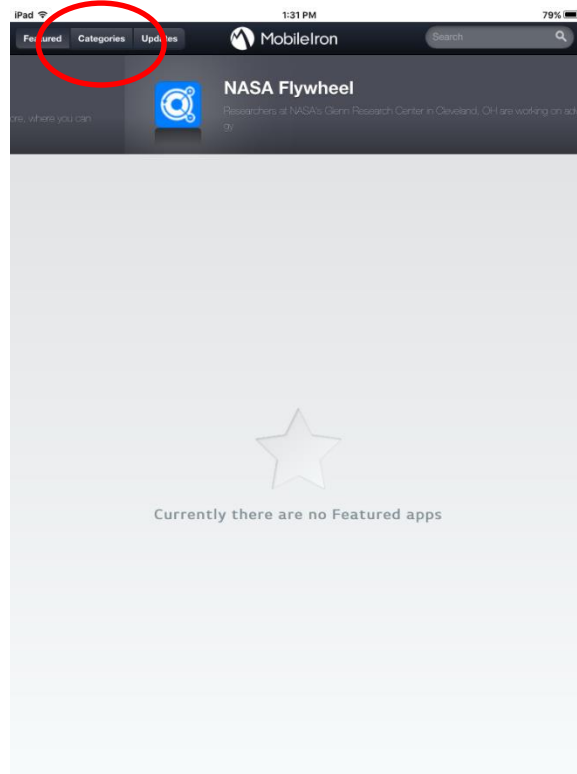

1. Click on the “App Catalog” app.

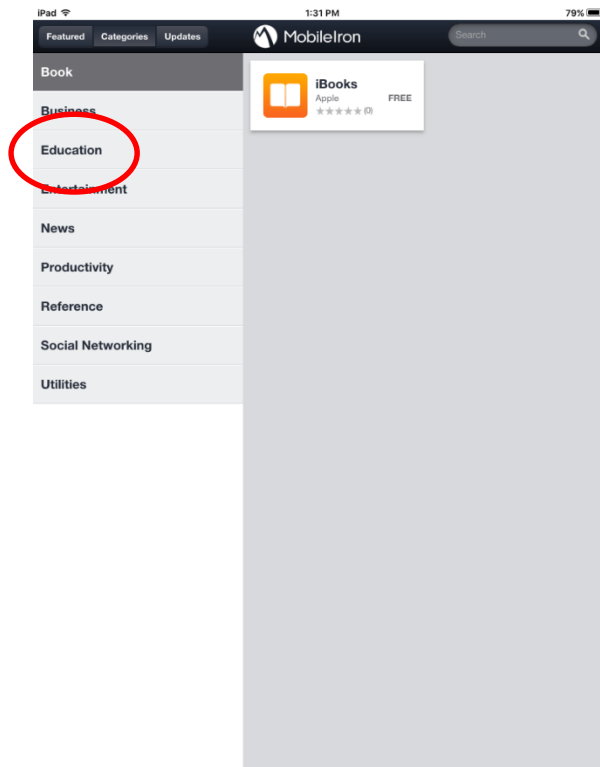

2. If a window appears indicating that the website requires a certificate, click “Continue”, then click on the certificate number that appears.

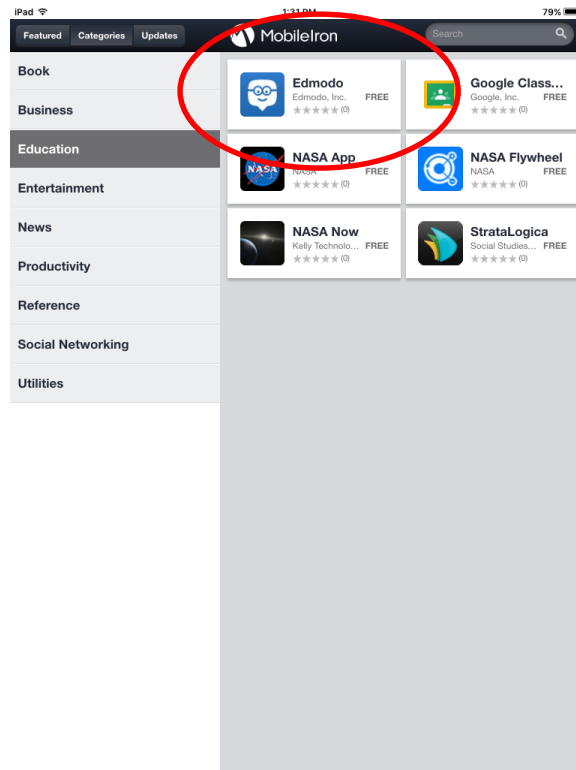

3. Click on the “Categories” menu at the top of the MobileIron screen.

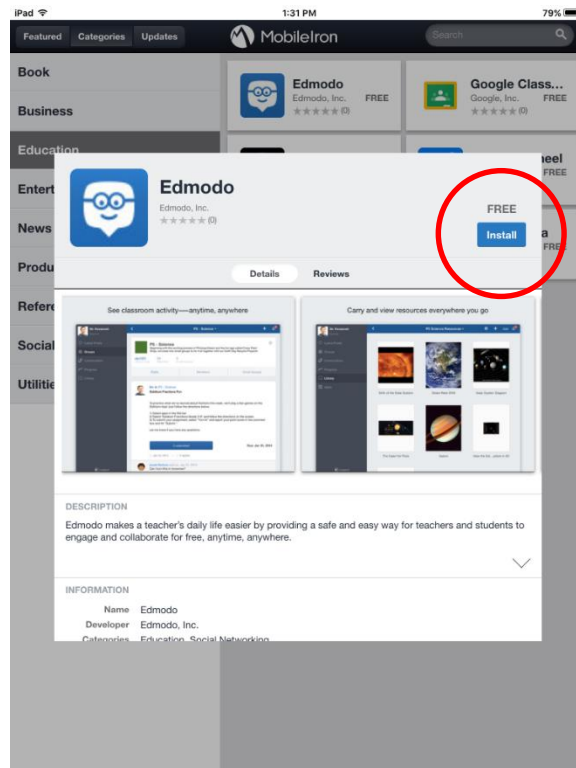

4. Click on each category to view available apps.

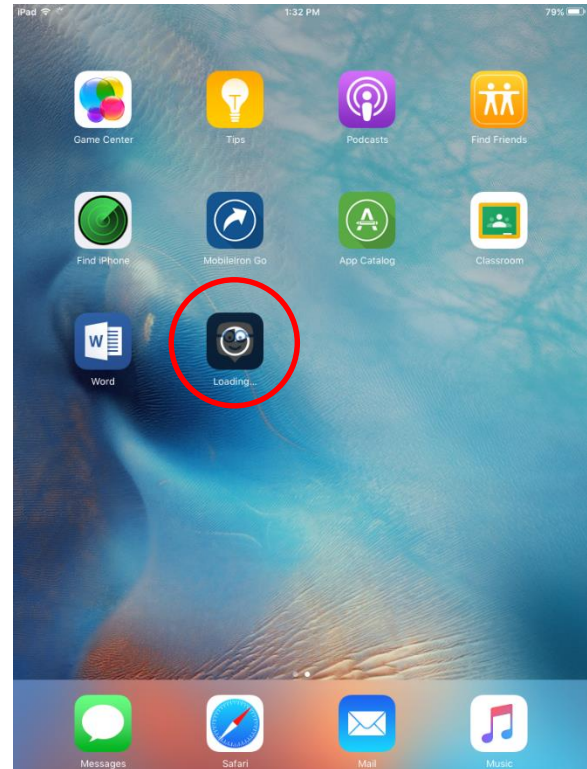

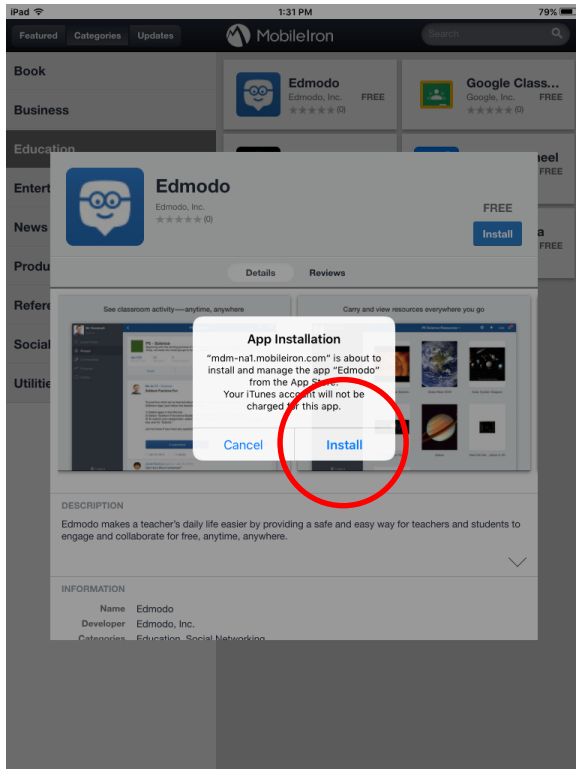

5. Click on an app to begin the installation process.

6. Click on the "Install" button to continue the installation process.

7. If requested, enter the management account Apple ID password to continue, then click Install.

8. Repeat the process for each app.
9. Free apps can also be installed from the App Store using the management account Apple ID credentials.
