IMMUNIZATION REQUIREMENTS FOR ENTRY INTO KINDERGARTEN SEPTEMBER 2016:

It is the policy of Wall Township Public School District to require immunizations mandated through the New Jersey State Sanitary code, Chapter 14. These requirements are applicable to all children attending New Jersey schools.

Specifically:

1. **TDAP:** A minimum of four (4) doses is required.
One (1) dose on or after fourth (4th) birthday.
2. **POLIO:** Minimum of three (3) doses. One (1) dose on or after fourth (4th) birthday
3. **RUEBEOLA:** Two (2) doses administered on or after first (1st) birthday
4. **RUBELLA:** One (1) dose administered on or after first (1st) birthday
5. **MUMPS:** One (1) dose administered on or after first (1st) birthday
6. **HEPATITIS B:** Three (3) doses required for school entry
7. **VARICELLA:** One (1) dose on or after first (1st) birthday or proof of disease immunity
8. **TUBERCULOSIS:** Mantoux intradermal skin test to screen for exposure to tuberculosis *may* be required under certain circumstances
