Help us plan the future! Be part of an exciting process! Work with your neighbors, friends, teachers, community groups, students and administrators to create a **shared vision** for the future of Wall Township Public Schools!

Using a dynamic process, guided by New Jersey School Boards Association, we will work together to develop the **goals** and **objectives** to move the district forward to meet the challenges of the 21<sup>st</sup> century. Meetings are scheduled as follows:

- **January 31<sup>st</sup>**: Information presentation at the Board of Education Meeting, 7:30 pm at WIS
- **February 14<sup>th</sup>**: Community input session at WHS media center, 7:00 pm
- **March 13<sup>th</sup>**: Community input session at WHS media center, 7:00 pm
- **April 18<sup>th</sup>**: Community input session at WHS media center, 7:00 pm
- **May 16<sup>th</sup>**: Action plan work session at WHS media center, 7:00 pm

We will be discussing the **strengths** of the district, the **challenges** we face, and ways in which we can tackle those challenges. We are inviting staff members, parents, students, community leaders and other interested members of the public to contribute their thoughts, ideas and hopes, so we can effectively **plan for the future** of our students. The BOE hopes that you, the residents of Wall Township, will respond enthusiastically and will join us in creating the future for the Wall Township Public Schools.
