

2016-2017 Governor's Educator of the Year

Primary School:

Kathy Boland is a teacher at Wall Primary School who represents all that is considered exemplary within the profession of teaching. She is extremely knowledgeable about child development and creates developmentally appropriate learning experiences for her class. Her room is always abuzz with students actively engaged in meaningful play, early readiness activities in reading, math and science, art projects and music. She creates a joyful environment that is rich in language and is differentiated to meet the needs of every child. Mrs. Boland respects each child and truly cares about his or her individual growth and development. Her colleagues respect her professionalism and teamwork, and she is an invaluable asset to the Wall Primary School community who is so proud to honor her as its Teacher of the Year.
