

2016-2017 Governor's Educator of the Year

High School:

Mr. Dill has worked at Wall High School for 13 years as an English Teacher, coach, and class advisor. He has taught all grade levels and was instrumental in creating various elective courses at the high school, including literature and music. His most rewarding experience as a teacher is being an active presence in the lives of seniors at WHS. For the past number of years, he has enjoyed teaching seniors. He watches with pride as they graduate in June and build strong relationships that last through college and beyond. Tom is an active member of many school leadership teams, including the teacher PTO representative, the WHS block scheduling team, and the School Improvement Panel to name a few. Most recently, Tom was selected by students in the National Honor Society to serve as this year's NHS Honorary Inductee. Tom is currently the Bowling coach and a class advisor. In his spare time, Tom enjoys reading, exercising, listening to music, and swimming. Congratulations to Tom Dill as Wall High School's 2016 - 2017 Governor's Educator of the Year recipient.
