

2016-2017 Governor's Educational Service Professional of the Year

High School:

Danielle is a graduate of Wall High School and has worked in the district for 13 years. She currently serves as a guidance counselor for students in grades 9 -12. During her 13 years in the district, she has taught math at both Wall Intermediate School and Wall High School and served as a guidance counselor in both schools as well. Danielle is rewarded on a daily basis as she is able to make a difference in the lives of so many students..... A simple thank you, a smile, and watching her students be successful both at WHS and post-secondary are just some examples that make this career so fulfilling for her. Danielle likes running, scrapbooking, the beach, family ski trips, arts & crafts with her children, and volunteering at Old Mill School where her children attend school. Danielle is proud to be an employee of the Wall Township School District and feels lucky to be a member of such a dedicated staff. Congratulations to Danielle Farrell as Wall High School's 2016-2017 Service Professional of the Year recipient.
