Re: FERPA Act and the Media Release Non-Consent Form

Dear Parent or Guardian,

Wall Township Public School District traditionally celebrates the accomplishments of its students by sharing information with the community. To do this, the District may submit media releases that include student names, student work, and student photographs to the local media. The District may also publish information at various school functions. Examples include the following:

- A program from a concert, sporting event, or playbill showing a student's role in a production, event, or performance;
- The annual yearbook;
- Public galleries or exhibitions of student work; and
- Honor roll, recognition lists, or graduation programs.

While the intent of this practice is to be informative and celebratory, the District recognizes that concerns may arise regarding a student's right to privacy.

Pursuant to the Federal Family Educational Rights and Privacy Act (FERPA), school districts are permitted to release "school directory information" unless parents exercise their right of refusal. Under the FERPA law, this information could include: students name, residential address, E-mail address, phone numbers, photographs/images, school locations, field of study, degrees, honors and awards received and participation in athletics and other activities.

It is the intent and practice of the Wall Township Public School District to publish, post or distribute a student's name, photograph, audio and/or video recording, displays of student work or other information **only** as related to student achievement (e.g., academic/athletic recognition or award) or student accomplishment (e.g., a special selected piece of work).

If you agree to allow the School District to publish such information during the 2017-2018 school year, you need **not** reply.

However, if you **DO NOT** grant permission for the District to release such information to the media, to publish such information in District-sponsored publications; or to display such information at various school functions, you must complete, sign and return the attached media Release non-Consent form to your child's school no later than September 15, 2017. Please keep this letter for informational purposes.

Please note that the Media Release Non-Consent form is sent home annually with all students. You may rescind this agreement at any time throughout the school year by sending a letter to the principal. Such rescission will take effect upon receipt by the school. If you have any questions or concerns, please contact your child's building principal.

Sincerely,
Cheryl Dyer
Superintendent of Schools
